

ASHISH GUPTA

27-02-1998

LIFESTYLE

I am caring, soft-spoken, and believe in mutual respect in all relationships. I love to travel and explore different cultures around the world, which keeps me inspired and connected to the diverse world we live in. Health and fitness are very important to me, and I make it a point to stay active by regularly hitting the gym and engaging in various sports. This helps me maintain a balanced and healthy lifestyle while keeping my energy levels high.

EXPECTATIONS

I am looking for a partner who values open communication, is open-minded, and holds family in high regard. It's important for us to share common interests and support each other's personal growth. Who believes in adapting to the changing world while staying true to one's roots. A well-educated individual who values family, whether career-oriented or with a homely nature, would be an ideal match. Together, I hope we can create a relationship built on love, mutual respect, and shared values.

ABOUT MYSELF

I am a humble, fun-loving, and well-educated individual with a strong sense of ambition. I value cultural awareness and consider my family and loved ones central to my life. My educational background includes completing my Computer Science degree from IIT Bombay, where I was a top ranker in JEE. Currently, I work as Software Engineer at Schlumberger, an American Oil & Gas MNC based in Pune. I have a deep passion for music and enjoy playing the piano and flute. I believe in living a balanced life, which is why I prioritize both my professional growth and personal well-being.
